The War Goes On

The war goes on

Our childhoods gone down the toilet

Personalities slowly changing

Fights breaking out over others opinions

The war goes on

Lies and deceit taking over our lives

A new story every day

Guilt leading the way

The war goes on

Suicidal plans ready to get us killed at any moment

A new scar each battle

Fresh blood on our already covered hands

The war goes on

Hopes that it will end soon quickly fading

A new way of ending it all

Wanting a way out

The war goes on

Wondering how our lives came to this

Wishing it had never happened

The night when it all started

End  
file.
